## 2009 Biennial Session

The Commissions and Panels had their working meetings on Saturday 24 and Sunday 25 except for the Road Racing Commission meeting which will take place on Monday 9 November in Cullera (Spain). A press release will be issued separately.

The MAYn decisions and modifications are the following:

### Motocross

Please refer to Press Release concerning the Motocross Strategic Committee dated 23 October.

### Trial

#### Indoor

New competition format for Indoor Trial with 8 permanent riders (instead of 6 at present).

#### Outdoor

The Trial will not be allowed to inspect the section once the competition has started.

The bibs for industry people are eliminated. A bib "Team Manager" will be available for manufacturers, private and national teams.

### Track Racing

Creation of two new trophies in Speedway and Long Track: FIM Speedway Youth Gold Trophy 250cc and FIM Long Track Youth Gold Trophy 250cc

### Technical

The Alternative Energies Working Group (AEWG) and the International Technical Panel (CTI) presented a draft of the new technical rules for electric propelled vehicles for application in the EPV Grand Prix Series in 2010. These rules are also applicable in Motocross, Trial and Enduro.

The CTI decided that the use of handlebars made from carbon, kevlar or any other composites materials is not authorised in the competitions of Motocross, (including Supercross, Sidecars, Supermoto, Freestyle, Snowcross and Quads), Trial, Enduro and Cross-Country Rallies and Track Racing.

The CTI announced the following changes in the list of the International Helmet Standards:

The addition of the new SNELL M2010 Standard.

(The current SNELL M2005 helmet standard will reMAYn valid until the end of 2011).

The addition of the new JIS 8133:2007 standard.

(The current JIS 8133:2000 standard will reMAYn valid until the end of 2011).

The ECE 22-05 standard reMAYns unchanged.

### Medical

#### Anti-Doping issues:

A number of amendments were approved by the International Medical Panel for application in the FIM Anti-Doping Code in accordance with the 2010 WADA rules.

#### Medical issues:

The minimum medical requirements for events (art. 09.7.6) were revised to improve effectiveness and appropriateness of the facilities. These modifications should reduce costs while insuring riders' safety.

#### About FIM

FIM (WWW.FIM-LIVE.COM), the world governing body for motorcycle sport, is an independent association formed by 98 National Federations throughout the world. It is recognized as the sole competent authority in motorcycle sport by the International Olympic Committee (IOC). Amongst its 49 FIM World Championships its MAYn events are MotoGP, Superbike, Endurance, Motocross, Supercross, Trial, Enduro and Speedway. FIM also deals with non-sporting matters such as leisure motorcycling, mobility, transport, road safety and public policy and the environment, FIM was the first International sporting Federation to enforce an Environmental Code in 1994.
